4) Parishioner Feedback

The following ideas for Parish Council attention were made by Parishioners in the audience:

- Village Sign to be repaired and placed back in position as soon as possible
- The council should encourage local landowners to be more pro-active in cutting back some of the hedges bordering highways.
- Concern was expressed about Flood defences around the Brewery site...in particular attention to keep the river under the Bridge clear in times of heavy rainfall.
- That the Old Bus shelter outside the Brewery Tap should be renovated.
- That the Council should consider the Appointment of a Flood warden for the Village.
