

Notice concerning the May 14 2015 Furneux Pelham AGM and Parish Council Meeting

The first duty of the Parish Council at every AGM is to elect a new Chairman and Vice Chairman. At the May 14 AGM of Furneux Pelham Parish Council the election of the new Chairman resulted in a tied vote. The Council decided to take advice on how this issue should be resolved, and in the interim continued the meeting with the Clerk standing in as chairman.

As no Chairman was formally adopted the decisions taken during the rest of the AGM, and in the following Parish Council meeting, have no legal validity. Accordingly, both meetings were repeated on the 3rd June 2015.
